At The Piedmont Center

801 Magnolia Ave., Piedmont

This famous, and humorous, musical score by Saint-Saens has been used the world over to introduce children to classical music. In this production, Saint-Saens' music forms the backdrop for a wonderful marionette puppet show! The thirty minute performance includes fairy tales familiar to all: "The Three Little Pigs," "The Ugly Duckling," and "The Tortoise and the Hare." The lilting music inspires the movement of the puppets as the puppets reinforce the music.

Suitable for children (parents and grandparents) of all ages. Places upfront are reserved for the young audience members so they can sit up close and engage with the lively & colorful puppet characters.

Learning opportunities include: Learning, as does the Hare, that hard work is as important as confidence, and, for the Tortoise, to focus on one's goals, which will lead to success. And, learning, as do the Pigs, never to underestimate the power of teamwork! All of this with wonderful music and superb puppetry!

Complimentary Refreshments provided. Tickets are \$10 for adults; \$5 for children, available at brownpapertickets.com/event/3377460. One performance only; seating is limited.
