Recreation Commission to consider Pickleball Trial at Linda Beach and Hampton Tennis Courts

NOTICE IS HEREBY GIVEN that the **Piedmont Recreation Commission** will consider making a recommendation to the City Council regarding a temporary trial program for pickleball play at City tennis courts at its regular meeting on Wednesday, January 16, 2019 at 7:30 pm in the City Council Chambers, 120 Vista Avenue, Piedmont.

The Commission will consider a report from the Subcommittee on Tennis Court Use and Pickleball, which recommends the implementation of an eight month temporary trial program which would designate specific hours for exclusive pickleball use at the Linda Beach and Hampton tennis courts as follows, with all other times being for tennis play only:

Hampton:	Wednesday and Friday	12:30 - 3:00 p.m.
Linda Beach:	Tuesday and Thursday	10:00 a.m. - 12:30 p.m.
	Sunday	2:00 - 4:00 p.m.

To facilitate pickleball play during the eight month trial, the Subcommittee also recommends the following actions:

- a. Painted lines for four pickleball courts spread over the tennis courts at Hampton and Linda Beach, with the lines painted in such a way to minimize impact and be as unobtrusive as possible to the existing tennis lines;
- b. Use of portable, temporary pickleball netting, which can be placed on (but not penetrate) the playing surface, with Recreation Department staff to determine the best system of set up, take down, and storage of nets at each location.

The Recreation Commission will discuss the impact of these temporary changes and make recommendations to the City Council for its consideration.

You are invited to attend the Recreation Commission meeting and express your opinion. This meeting will be televised live on KCOM-TV, Channel 27, the City's government TV station and will be available through streaming video on the City's web site www.ci.piedmont.ca.us.
