Edible Contests have been a part of the Piedmont Harvest Festival Since the beginning in 1998. They showcase, for the appreciation of all, the amazing diversity of fruits and vegetables grown in Piedmont, and the talent of our residents in preparing and preserving these products for their families and friends.

### Eligibility

Anyone who lives in the City of Piedmont may submit an entry. Entries may be done by individuals, households, neighborhoods or groups.

### Rules of Entry

Any item submitted for consideration in a growing category must be grown within the borders of the City of Piedmont, CA.

***Any Item that is submitted for a cooking category must have a main ingredient that could feasibly be grown in Piedmont.***

The actual ingredient does not have to have been grown within the borders of Piedmont. Items submitted for display only are not limited by the above rules. Non-residents are welcome to join the fun by bringing items for display only. If you would like to share homegrown produce, but do not wish to enter, you are encouraged to bring a generous supply for the tasting table.

**No Fees** - There is no charge to enter.

### Prizes

All participants will receive recognition and prizes will vary among categories. The ***Bill Drum Memorial Sweepstakes Prize*** is awarded to the person or group that receives the most blue ribbons.

### Number of Entries

Any number of entries are allowed in each category by individuals or groups.

### Submission of Entries

All entries must be delivered on Sunday, September 22nd between 7:30am and 10am. Please bring your completed entry form to the Community Hall.

**Use one entry form for all entries and be sure a label is securely attached for each entry.** Labels for items in the cooking categories must have the "main ingredient" clearly visible.

### Judging

Judges for the contest will be knowledgeable in the areas they judge. Entrants are reminded of the objective of the Festival: to provide an opportunity for people to show the bounty of their gardens and kitchens, to provide a source of fun and to strengthen our sense of community

**JUDGING BEGINS PROMPTLY AT 10:00AM**

**Any Items Not Picked Up by 1:30pm Will Be Eaten and Recycled.**

Due care will be taken to insure the safety of entries during the festival. However, neither the Recreation Department nor the Harvest Festival Committee can assume responsibility for any loss or damage that may occur. Entries will be cleared at 1:30pm.

### Make a Scarecrow

Any individual or group (resident or non-resident) can make a scarecrow and donate it for the Silent Auction. The theme is Villains & Heroes! Scarecrows must be family friendly and proceeds will benefit the Tri-School Fund.

### The Jazz Festival

Come enjoy the Jazz Festival held in the Main Park. Pack a picnic or purchase your lunch from one of the food trucks. This years lineup includes the Piedmont High School Jazz Orchestra, Bob Roden Quintet, Albany Big Band and the Wild Woodsmen.

### Farmer's Market

Village Market will once again sponsor the very popular Farmer's Market. Bring your bags and shop early!

### Art Show
