(510) 420-3030

The City of Piedmont is continuing to monitor the public health risk related to the Covid-19 virus, sharing messaging and planning in conjunction with Alameda County.

The Alameda County Public Health Department has recently released information regarding guidance for mass gatherings, which can be accessed here:

<http://www.acphd.org/media/558618/alameda-county-guidance-for-mass-gatherings-20200310.pdf>

For additional recommendations and resources on mass gatherings in relation to Covid-19, please see:
