COUNCIL AGENDA REPORT

DATE: June 21, 2021

TO: Mayor and Council

FROM: Sara Lillevand, City Administrator

SUBJECT: Consideration of a Resolution Setting Forth Areas of Unlawful Parking in Accordance with City Code Section 11.47 (e)

RECOMMENDATION

Approve the attached resolution setting forth areas of unlawful parking (no parking zones) within Piedmont pursuant to City Code Section 11.47 (e).

BACKGROUND

Section 11.47 (e) of the City Code makes it unlawful for the operator of any vehicle to stop, stand, park, or leave standing their vehicle, “In any area established by resolution of the Council as a no-parking area, when such area is indicated by appropriate signs or by red paint upon the curb surface.” The fine for violating this subsection is set annually by the City Council during the budget process and currently is \$71 for the first violation and \$86 for the second and subsequent violations in a calendar year.

In an effort to increase transparency and consolidate the listing of no-parking areas designated by the Council, in accordance with this section, staff proposes to use the Red Curb No Parking map, which details areas of unlawful parking across Piedmont, and serves as the definitive listing of no parking areas within the City. The attached resolution, which has the Red Curb No Parking map dated June 2021 as an exhibit, will accomplish the task.

To ensure the public is informed of the areas deemed no-parking areas, the resolution requires the Red Curb No Parking Map to be conspicuously posted on the City’s web site and available for public review in City Hall. Pursuant to the City Code, should there be a need to include additional no parking areas pursuant to Section 11.47 (e), any such additional areas will have to be approved by the Council via an updated resolution.
