## City Administrator Recruitment Survey

Residents are invited to help shape the selection process for Piedmont's next City Administrator by completing a brief online survey.

The survey, available at <https://piedmont.ca.gov/CityAdministratorSurvey>, asks community members to share their thoughts regarding:

- the most important challenges and opportunities the new City Administrator will face
- what skills and experiences are the most critical in a new City Administrator
- what management and leadership attributes should the City Council look for
- how the new City Administrator should interact with the community

The survey will remain open through November 30<sup>th</sup>, 2022. The City Council will use the input gathered in this survey to help guide its decisions during the selection process.

Piedmont's City Administrator is appointed by the City Council and is responsible for overseeing day-to-day City operations and addressing the priorities established by the City Council.

City Administrator Sara Lillevand intends to retire in Spring 2023 after the City Council has appointed a successor. Lillevand was appointed City Administrator by the City Council in 2019, after spending five years as Piedmont's Recreation Director.
